

SÃO PAULO CITY TOUR

The ideal City Tour in Sao Paulo for those who wish to see the main attractions of Sao Paulo but who don't have time in which to do so. Our tour guides will detail the historic-cultural aspects of some of the most important sites in the city, in addition to showing the day to day life of the Paulistano (as the city's inhabitants call themselves) in the financial capital of the Brazil. You will have the opportunity to get to know São Paulo's historic downtown, its traditional neighborhoods, its most important thoroughfare, as well as the city's most popular and well-known park.

Here are some of the sites we will visit in São Paulo:

São Paulo Historic Downtown

Site of the city's founding, this is the perfect place to learn about the history of São Paulo and about the cultural aspects of the Capital and hear some explanations from the guide.

Neighborhood of Liberdade

Home to the world's largest Japanese population in the world outside of Japan and the heart of the asian community in São Paulo, Liberdade is one of the most colorful neighborhoods in the city. It boasts diversified commerce and important tourist sites.

Paulista Avenue

Founded at the end of the 19th century, Paulista Avenue was the most luxurious street in the city, of the rich and powerful coffee barons. Currently, Paulista is one of the most important financial centers in the Capital in addition to being home to a wide variety of buildings which show off the city's diverse architecture.

Ibirapuera Park

The city's main park, which features a historically and architecturally important group of buildings by world-renowned Brazilian architect Oscar Niemeyer (winner of the Pritzker Prize for architecture) and landscaping by Burle Marx.
